

Priya Raman

Career & Wellbeing Coach | priya.raman@example.com (fictional sample resume for testing)

PROFILE

Career coach helping mid-career professionals in tech and healthcare recover from burnout and choose their next role with intention. Practical, warm, structured approach built on strengths assessments, values work and small weekly experiments.

COACHING EXPERIENCE

Independent Coach, Raman Coaching - 2021 to present

- One-to-one career transition coaching for professionals 8-20 years into their careers
- Six-session 'Clarity Sprint' programme combining values mapping and role design
- Group workshops on sustainable workload and boundary setting for team leads

People Partner, Northfield Health (fictional) - 2014 to 2021

- Supported managers through restructures; designed an internal mentoring scheme

TRAINING

Coach training programme, 125 hours (accreditation in progress)

MSc Occupational Psychology

APPROACH

Sessions are practical and paced for busy people. Clients leave with language for what they want next, a plan they trust, and habits that protect their energy.
